Client Testimonial:

I have attended the 1:1 Coaching, Intensive Retreat and Workshops with Jayanie. It was a transformational journey. I used to pack every day with lots of tasks - at work and in life. DOING and accomplishing did keep me busy, but doesn't bring me meaning. After working with Jayanie, my world view is different, transformed. I realised I am NOT my past and I am NOT my thoughts. I no longer allow my thoughts and other people's opinion to define who I am! Jayanie walked with me through the journey with guidance, support and wisdom.
